SEC. 2. information as shall be required by said secretary; and said secretary, or his duly authorized agent, shall register such motor vehicle, assigning to it a distinguishing number or mark, and shall thereupon issue to the owner thereof a certificate of registration which shall contain the amount of the motor power of such motor vehicle stated in figures of horse power, such horse power, in the case of internal combustion engines, to be determined in accordance with the formula adopted by the Association of Licensed Automobile Manufacturers, and in the case of steam and electric cars and motor vehicles, the amount of such horse power to be taken as advertised by the maker thereof, and if such motor vehicles has two ratings of horse power, the registration to be based upon the higher rating, the name, place of residence, and post office address of the owner, and the number or mark assigned to such motor vehicle, and shall be in such form and contain such further information as said secretary may determine. Such certificate shall at all times be carried upon such motor vehicle and shall be subject to examination upon demand by any proper officer. An applicant for the registration of a motor vehicle who does not file his application therefor until after the first day of June in any year shall be entitled to a pro rata reduction in the fee for such registration calculated to the first day of the month in which the application is made. Upon the transfer of ownership of any motor vehicle its registration shall expire, and the person in whose name such vehicle is registered shall return forthwith the certificate of registration to the secretary with a written notice containing the date of such transfer of ownership, and the name, place of residence, and post-office address of the new owner. A person who transfers to another the ownership of a registered motor vehicle owned by him, upon the filing of a new application and upon the payment of the proper fee, may have registered in his name another motor vehicle for the remainder of the calendar year, provided the horse power of such motor vehicle is the same or less than that of the motor vehicle next preceding registered by him; but if the horse power of the motor vehicle is greater than that of the motor vehicle next preceding registered by him, the applicant shall pay, in addition to said fee, the difference between the fee paid by him for the motor vehicle next preceding registered by him and the fee for the registration of the motor vehicle of the higher horse power. The registration of every motor vehicle shall expire at midnight on the thirty-first day of December in each year.

A person who transfers to another the ownership of a registered motor vehicle owned by him, upon the filing of a new application and upon the payment of the proper fee, may have registered in his name another motor vehicle for the remainder of the calendar year, provided the horse power of such motor vehicle is the same or less than that of the motor vehicle next preceding registered by him; but if the horse power of the motor vehicle is greater than that of the motor vehicle next preceding registered by him, the applicant shall pay, in addition to said fee, the difference between the fee paid by him for the motor vehicle next preceding registered by him and the fee for the registration of the motor vehicle of the higher horse power. The registration of every motor vehicle shall expire at midnight on the thirty-first day of December in each year.

Dealer's, liveryman's and manufacturer's application.

SEC. 3. Every dealer, liveryman, or manufacturer of motor vehicles may, instead of registering each motor vehicle owned or controlled by him, make application to said secretary for a general distinguishing number or mark, and the secretary may, if satisfied as to the facts stated in said application, issue to the applicant a certificate of registration containing the name, place of residence, and business address of the applicant, and the general distinguishing number or mark assigned to him, and made in such form and containing such further information as said secretary may determine, and every motor vehicle owned or controlled by such manufacturer, dealer, or liveryman shall, until sold or loaned for a period of more than five successive days, be regarded as registered under, and have assigned to it, such distinguishing number or mark. Manufacturers, dealers, or liverymen shall not be required to carry such certificates upon the vehicles registered under the provisions of this section, but every person operating a motor vehicle registered under the provisions of this section shall display on such vehicle, in such manner as said secretary may prescribe, the operator's license number assigned to such person. The registration of every motor vehicle registered under the provisions of this section shall expire at midnight on the thirty-first day of December in each year.

The secretary shall collect fees as follows: For the registration of every motor cycle, one dollar; for the registration of every commercial motor vehicle and every motor truck, regardless of the horse power thereof, five dollars; for the registration of every motor vehicle owned or controlled by a liveryman, ten dollars; for registration of every motor vehicle of less than twenty horse power, six dollars; for registration of every motor vehicle of twenty horse power and above, but less than thirty horse power, ten dollars; for registration of every motor vehicle of thirty horse power and above, but less than thirty-five horse power, fifteen dollars; for registration of every motor vehicle of thirty-five horse power and above, but less than forty horse power, twenty dollars; for registration of every motor vehicle of forty horse power and above, thirty dollars; for the substitution of the registration of a motor vehicle previously registered in accordance with the provisions of section two of this act, two dollars; for each motor vehicle engine owned by or under the control of a manufacturer of motor vehicles and tested or oper-

Suspension and revocation of certificate of registration and license.

Sec. 9. The secretary may suspend or revoke any certificate of registration or any license issued to any person under the provisions of this act, after due hearing, for any cause which he may deem sufficient, and may suspend the license of any operator, in his discretion, and without a hearing, and may order such certificate or license to be delivered to him whenever, he has reason to believe that the holder thereof is an improper or incompetent person to operate motor vehicles, or is operating improperly or so as to endanger the public; and neither the license nor the certificate of registration shall be reissued, unless upon investigation or examination, or after a hearing, except, as hereinafter provided, said secretary determines that the operator should again be permitted to operate; and no motor vehicle, the registration of which has been so suspended or revoked, shall be registered in the name of any person until at least thirty days from the date of suspension or revocation, unless said secretary shall determine otherwise. Whenever the death of any person results from any accident in which a motor vehicle is concerned, said secretary shall forthwith suspend the license of the operator of the motor vehicle involved in said accident and order the said license to be delivered to him, and shall revoke the same, unless, upon investigation or after a hearing, he determines that the accident occurred without serious fault upon the part of such operator. No operator whose license is so revoked shall be licensed again within two years after the date of the revocation, nor thereafter except in the discretion of said secretary. Notice of the revocation or suspension of any license or certificate of registration shall be transmitted forthwith by said secretary to the chief of police of the city or prosecuting officers of the borough or town in which the person whose license or certificate of registration so revoked or suspended resides.

Sec. 11. No person shall operate a motor vehicle on the public highways of this state recklessly or at a rate of speed greater than is reasonable and proper, having regard to the width, traffic, and use of the highway, or so as to endanger the property or the life or limb of any person.

Speed to be reduced or vehicle to be stopped, when.

Sec. 12. Upon approaching any person walking in the traveled portion of any highway, or a horse or any other draft animal being led, ridden, or driven therein, and in passing, such person or such horse or other draft animal, the person operating a motor vehicle shall have the same under control and shall reduce its speed when reasonable care requires. If such horse or other draft animal being so led, ridden, or driven, shall appear to be frightened, and if the person in charge thereof shall signal so to do, the person operating such motor vehicle shall bring the same immediately to a stop, and if traveling in the opposite direction shall remain stationary so long as may be reasonable to allow such horse or other animal to pass, or if traveling in the same direction shall use reasonable caution in thereafter passing such horse or other animal. Upon approaching an intersecting highway, or a curve or a corner of a highway, every person operating a motor vehicle shall slow down when reasonable care requires and shall give a timely signal with his bell or horn and keep to the right of the intersection of the center of both highways when turning to the right, and pass to the right of the intersection of the centers of said highways before turning to the left.

If the rate of speed of a motor vehicle, excepting within the limits of an incorporated city, operated on the public highways of this state, where the operator's view of the road and traffic is obstructed, when approaching a crossing or intersecting public highway, or when traversing a bridge, or a sharp turn or steep descent, or a curve in a highway, exceeds ten miles an hour, such rate of speed shall be prima facie evidence that the person operating such motor vehicle is operating the same at a rate of speed greater than is reasonable and proper, and in violation of the provisions of section eleven of this act. If the rate of speed of a motor vehicle operated upon the public highways of this state in passing any street railway car that is stationary or about to stop, on the same side of the car on which passengers are ordinarily received or discharged, exceeds three miles an hour, such rate of speed shall be prima facie evidence that the person operating such motor vehicle is operating the same at a rate of speed greater than is reasonable and proper, and in violation of the provisions of section eleven of this act.

Sec. 14. No city, town, or borough shall have power to make any ordinance, by-law, or resolution respecting the speed of motor vehicles, and no ordinance, by-law, or resolution made by any city, town, or borough in respect to the speed of motor vehicles shall have any force or effect; provided, however, that power given to any town, city, or borough to regulate shows, processions, assemblages, or parades in streets and public places and to regulate the use of public parks, and all ordinances, by-laws, or regulations which may have been or which may be enacted in pursuance of such powers, shall remain in full force and effect.

Motor vehicle not to be operated without permission of owner.

A conviction of any offense involving a violation of this section shall be reported forthwith by the clerk of the court or justice of the peace to the secretary of the state, who, upon a second or subsequent conviction, shall revoke immediately the license of the person so convicted. If it appears by the records of said secretary that the person so convicted a second time is the owner of a motor vehicle, or the employee of an owner of a motor vehicle employed by such owner when the first conviction occurred, he shall revoke the certificate of registration of such owner, or of the employer, or of the employee so convicted.

Records of convictions.

Whenver any person convicted of any violation of this section appeals, said secretary shall suspend, forthwith, the license of the person so convicted, and shall order the license delivered to him, and shall not reissue the same unless such person is acquitted upon such appeal, or unless said secretary, in his discretion, after an investigation or upon a hearing, decides to reissue it. Whenever any license or certificate shall have been revoked under the provisions of this sec-

OFFICE OF THE SECRETARY.

SUMMARY OF MOTOR VEHICLE LAW.

The new automobile law passed by the general assembly at its session of 1909 took effect September 1, 1909.

The following requirements should be noted:

- 1.—Registrations are annual.
- 2.—All registrations expire the thirty-first day of December at midnight, and all licenses to operate expire the last day of February, at midnight.
- 3.—Upon the sale or transfer of ownership of a motor vehicle its registration expires, but a person who makes such sale or transfer, upon filing a new application, and upon paying the proper fee, which is two dollars, may have registered in his name another motor vehicle for the remainder of the calendar year; provided the horse power of such motor vehicle is the same or less than that of the one sold or transferred registered by him; but if the horse power is greater than that of the motor vehicle next preceding registered by him, he shall pay in addition to such fee the difference between the fee paid by him for the motor vehicle sold or transferred by him and the fee for the registration of the motor vehicle of the higher horse power.
- 4.—All who operate motor vehicles and motor cycles, must obtain a license annually. The fee for a license to operate a motor vehicle or a motor cycle is two dollars, and no pro rata reduction is allowed for any fraction of a year. All such licenses expire at midnight on the last day of February of each year. Licenses shall at all times be carried by the licensee when he is operating a motor vehicle or a motor cycle.
- 5.—Operator shall mean a person who has obtained a license to operate a motor vehicle or a motor cycle.
- 6.—Each machine is required to bear a different number and be registered separately.
One set of official markers are furnished annually without charge.
- 7.—Only official markers can be used and must be obtained of the secretary of the state; provided, that in case of the loss or mutilation of a marker, the owner or person controlling a motor vehicle shall immediately place a temporary plate bearing his registration number on such motor vehicle and shall within twenty-four hours after such loss or mutilation notify the secretary and apply for a new set of number plates which shall be furnished on the payment of one dollar.
- 8.—In case of a loss of certificate or license, duplicates may be secured from the secretary on payment of fifty cents for each duplicate of license or registration.

- 9.—Manufacturers, dealers and liverymen, will be required to use special markers furnished by the secretary, six sets of which shall be furnished, with the certificate of registration, annually, and one pair of plates for individual owners, upon application therefor, without charge.
- 10.—In order to secure a registration as a liveryman, the applicant must maintain for hire more than two motor vehicles or one or more taxicab.
- 11.—The registration certificate of each machine must be conveniently kept in the same.
- 12.—Each operator must carry his license so it can be shown when required.
- 13.—All applications for registration and license must be made on blanks furnished by the secretary, the writing must be legible and signatures plainly written. All blanks must be filled in and all questions answered.
- 14.—All registration cards must be returned to this office unmutated as they are used in a filing case as a card index.
- 15.—Upon the sale or transfer of ownership, any person in whose name such motor vehicle or motor cycle is registered shall return to the secretary's office the old certificate together with the name and address of the new owner.
- 16.—All operators shall indorse their signatures on the space provided, immediately upon the receipt of their license, and the license shall not be valid until so indorsed.

Secretary.
